

Rain-X® 2in1 Glass Cleaner + Rain Repellent

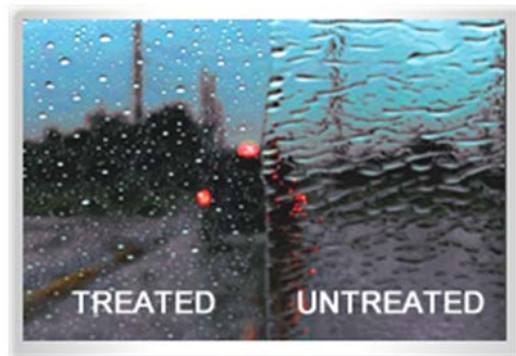

Rain-X 2-in-1 Glass Cleaner + Rain Repellent 2604 improves wet weather driving visibility and is easy to use!

The Glass Cleaner applies water beading technology to enhance your driving visibility in one simple step.

Now with a new formula that delivers improved rain repellency!

Product features

- Fast and easy to use – just spray on and wipe away with no buffing required.
- Cleans automotive glass streak-free.
- Repels rain by causing water to bead up and roll away.
- Helps prevent and remove sleet, snow, ice, bugs, and road spray from sticking to glass.
- Available in 500 ml spray bottles.

Product Usage Instructions

- Spray directly onto surface of vehicle's glass or onto a paper towel/cotton cloth.
- Wipe with a dry paper towel, 100% cotton cloth or microfibre towel. For dirty surfaces, reapply as necessary.
